— CNA/WELLNESS AIDE —  
*Allisonville Meadows*

Carla Hewitt Drayton has been an exemplary team member at Allisonville Meadows for the past eight years. She served ASC as a nurses aide and then transferred to the Therapy Department as a Wellness Aide.

Carla exemplifies ASC values and our C.A.R.E. principles and enjoys working with residents to help maintain their independence. Residents trust Carla and look forward to working with her as she is always willing to jump in and help with whatever is needed. She leads by example - setting the standard for customer service, quality, attitude and teamwork. Carla is often described as caring and compassionate, serving our residents with a smile. She is a reliable team player, positive, calm and knowledgeable, and going above and beyond in everything she does. Carla takes great satisfaction in helping residents regain and maintain their independence, while taking pride in seeing the residents being able to do more on their own.

Carla's supervisor, Karyn Gross, says, "Carla is an extremely hard worker. She hits the ground running each morning when she arrives. She is happy to assist wherever she may be needed, and she always has a smile and positive attitude!" We are proud to have Carla Hewitt Drayton as Allisonville Meadows' Quest winner for 2020.
