

## Jennifer Guerrero

— MEMORY CARE ACTIVITY ASSISTANT —  
*Valparaiso Care & Rehabilitation Center*

Jennifer Guerrero has been a Memory Care Activity Assistant on our Augustes' Cottage for the past two years. Jennifer was nominated because she consistently embodies American Senior Communities C.A.R.E. values. She goes above and beyond daily for the residents in the Cottage.

Jennifer actively listens to the residents while providing encouragement, reassurance and engaging conversation in return. The residents may not recall her name but they certainly know when she is and isn't there as they refer to her as the "girl with long, dark hair." She has also built special relationships with Cottage families.

Jennifer's serves as a Memory Care Activity Assistant but it is more than a job, it is her passion. She is almost never seen without a smile and is willing to help however she can. She is truly deserving of Quest for Excellence status!

Jennifer says that this year has been her best as she went sky diving, got engaged and bought her first home and now she can add Quest winner to her list.
