

Brittany Woods

— LPN —

Westview Nursing & Rehabilitation Center

Brittany Woods, LPN at Westview Nursing & Rehabilitation Center, has a true “can-do” attitude. She received her nursing degree from Ivy Tech and is preparing to return for her RN. Brittany started at Westview in 2018 as a floor nurse and since has also added the Unit Manager title.

Westview is very proud to have Brittany Woods as our Quest for Excellence winner for 2020. She is the perfect representative of ASC’s core values. During this challenging year, she has exemplified exceptional care to ensure the safety of our residents.

Brittany works tirelessly to ensure that residents feel at home, safe and loved. She has been there every step of the way during the COVID-19 pandemic to provide a hand; this gesture does not go unnoticed by her coworkers. One co-worker states she is inspired by Brittany’s strength and motivation and she is an example of the nurse she hopes to be one day.
