

Michelle Mitchell

— HOUSEKEEPING SUPERVISOR —

Aster Place

Michelle Mitchell dedicates her time to ensure the residents are living in a clean and comfortable environment. She also goes out of her way to make sure all staff is appreciated and recognized for their hard work such as passing out ice cream sandwiches on a hot day or making lemon shake-ups for everyone. Anyone who knows Michelle knows she puts her whole heart into what she does and truly cares for each and every resident.

When Michelle isn't working, she is spending quality time with her four children, ten grandchildren, husband, and her dog. Michelle has recently picked up the hobby of designing shirts, cups, etc. with her Cricut. She has used this newfound hobby to design shirts for coworkers to wear for events such as car wash and other fundraisers. She surely has her hands full, but she stays energized with her Dr. Pepper obsession. "I treat these residents like my own family. I have always said to treat the residents how you would want your own family to be treated," said Mitchell.

Michelle has been a member of the Aster Place team since Aster Place opened in 2016. Since then, Michelle has continued to show compassion and excellence to everyone who steps foot in the doors and is very appreciated by all staff. Co-worker Becky Alexander said "I appreciate Michelle for more than just her work, It's also her character and positive effect that she has on others. We thank her for making a difference here at Aster Place, it's the difference we need."
