

AIT Program

Administrator In Training Program

At American Senior Communities, we understand that training and developing new leaders is vital to the success of any organization. We believe in growing dynamic leaders who will positively impact the future of long term care and our organization.

Growing Tomorrow's Leaders Today

Open to both internal and external candidates, American Senior Communities' AIT Program is a one-year structured program based on the National Association of Long Term Care Administrator Boards (NAB) Program. The program is designed to meet the needs of each learner while offering hands-on experience in the areas of leadership and administration, clinical services, environmental services, financial management, food services, maintenance, operations and rehabilitation services.

Program Requirements

- Bachelor's or Masters degree
- Nurse Aide Training (*completed during program*)
- Willing to relocate throughout the state of Indiana

Salary & Benefits

The AIT program offers a training salary that is based on education and experience. Once licensed, the AIT is eligible for a salary increase and company benefits.
