Twelve ASC Communities Named Best Nursing Homes by U.S. News & World Report

Indianapolis, IN — Twelve American Senior Communities (ASC) communities have been named “Best Nursing Homes” by U.S. News & World Report in their 2024 survey. Of the top 24 nursing homes in Indiana, half are managed by American Senior Communities.

U.S. News & World Report, the global authority in health care rankings and consumer advice, provides trusted and unbiased annual rankings of nursing homes that help consumers and families decide where to go to receive quality rehabilitation and nursing home care. The 2024 edition of Best Nursing Homes surveyed more than 15,000 nursing homes, evaluating them on patient and resident outcomes such as infection rates, staffing levels, health inspection results and other indicators of quality.

The twelve ASC communities recognized include:

- American Village - Indianapolis
- Bethlehem Woods Nursing & Rehabilitation – Fort Wayne
- Brownsburg Meadows – Brownsburg
- Coventry Meadows – Fort Wayne
- Creekside Village – Mishawaka
- Good Samaritan Home & Rehabilitative Center – Oakland City
- Greenwood Meadows – Greenwood
- Lowell Healthcare – Lowell
