Indiana State Department of Health Awards Local Community A Deficiency-Free Rating

Fort Wayne, IN — Heritage Park Assisted Living has once again received a deficiency-free annual state inspection. A perfect, deficiency-free rating is the best state survey score a senior care community can receive, a stellar achievement seldom accomplished.

Operated by American Senior Communities at 2001 Hobson Road in Fort Wayne, this senior care community offers garden homes, assisted living apartments and respite care along with outpatient therapy. The Indiana State Department of Health inspects such communities to assess compliance with state standards of care, such as adequacy of staffing, quality of care and cleanliness of the community.

Compassion, Accountability, Relationships and Excellence are the core values for American Senior Communities. “These values serve as the guiding principles that lead us every day as we serve our residents, families and employees,” said ASC’s CEO, Steve Van Camp. “We are incredibly proud of our team at Heritage Park for demonstrating these values in an exceptional way,” Van Camp said. “An honor like a deficiency-free survey is only possible when a team is highly aligned in their level of dedication and commitment.”

About Heritage Park:

Heritage Park offers a wide variety of lifestyle and care options including Garden Homes, Assisted Living Apartments, Respite Care and Outpatient Therapy, in addition to Short-Term Rehabilitation, Memory Care, Long-Term Care and Hospice Care. Our mission is to compassionately serve each customer with quality care and excellence. To learn more about Heritage Park visit ASCCare.com/HPAL.
