Local Senior Living Company Recognized as #1 Top Independent Living Provider Nationwide

Terre Haute, IN – The Commons at Honey Creek located at 1450 E. Crossing Blvd. in Terre Haute, a member of American Senior Communities (ASC), was recently recognized by national senior industry knowledge leader, ElderCare Review. ElderCare Review chose ASC as their front cover and feature article in print for their July 2024 issue, as well as showcasing the provider throughout their online platform and other outlets.

ASC was the industry expert's #1 Top Provider for Independent Living nationwide ElderCare Review sites the reasons they acknowledged ASC with this distinction, including the multiple measures the company takes using specific programs and personal guidance to transition seniors into community-based independent living. Criteria also included excellent customer feedback, as well as an extensive list of other awards and distinctions.

ASC serves seniors with over 100 locations state-wide, with 17 of those locations serving independent living residents, including The Commons at Honey Creek.

“Community is at the heart of everything we do at ASC. It is in our name, and it is the essence of what we strive to foster within our independent living communities,” says Chris Kelley, VP of Senior Living. “Recognizing the profound importance of connection and companionship for seniors’ health and well-being, we prioritize this at each location.”

The company puts a strong emphasis on being part of the local community and making important connections that benefit their residents.
